The Welcome Committee

The PTO has a new group called the Welcome Committee. Our goal is to welcome new families and students to Mendham and the High School.

We understand transitioning to a new school and town can be challenging. That's why we have created this committee in conjunction with the Guidance Department to help make the transition for new families a little easier. If your family is interested in befriending newcomers, please click [HERE](#) to sign up.

All are welcome! Come enjoy a casual adult night with live music at Bernie's Hillside Lounge in Chester. The entrance fee will help support Project Graduation, but you don't need to have a senior to enjoy a fun night. Come early, it's limited to the first 150 folks who come in the door.

PROJECT GRADUATION - DONUT TRUCK!

On Wednesday, January 18th, the Project Graduation Committee hosted a Donut Truck for the seniors to enjoy. It was a beautiful day and yummy treats were overflowing! In addition to regular flavors of powdered sugar and cinnamon, seniors could enjoy specialty flavors such as churro, salted caramel pretzel, Oreo cookie, fruity pebbles and S'mores. A special Thank You to Julie Barounis, Dawn Clarke, Stephanie Fox and Christina King - our volunteers who manned the amazing Donut Truck.

HOLIDAY BREAKFAST

On December 21, 2022, the PTO hosted a breakfast for the teachers and staff of Mendham HS. We deep-cleaned the faculty lounge refrigerator, all their drawers and utensils, made breakfast (ordered bagels and pastries), supplied coffee and stocked their K-Cups. We also presented them with a new microwave, new toaster and new lanyards for their required IDs. The teachers were very appreciative! Thank You to the Cilio Family for donating the new microwave and toaster oven and Thank You to the Gisser Family for donating all those lanyards.
