

MENDHAM HIGH SCHOOL PTO

August 2023

Dear MHS Families,

We are so excited to kick off the 2023-2024 school year by welcoming current and new families to Mendham High School! We hope you enjoyed a wonderful summer!

What does the PTO do at the High School level?

It is the partnership of parents, teachers, and administrators to promote the educational, mental, and physical welfare of our children. Our goal is to support our students and the administration by enhancing communication and cultivating a strong sense of community by assisting wherever we are needed.

What are some of the programs the PTO offers?

- Our Welcome Committee hosts events to support new families
- Support to Project Graduation events for the senior class
- Organizing fun student activities
- Teacher/Staff appreciation events throughout the year
- Scholarships for 4 graduating seniors
- Information sessions for students and parents by administrators & outside experts

How do I become a member?

Please join today so we can increase our membership! The dues we raise in combination with our fundraising through our "no frills fundraiser" and our incredible Raise Right app program will allow us to provide more activities and programs throughout the year.

1. Click on this link to get to the membership form - [WMMHS PTO Sign Up Page](#)
2. When you finish submitting the form, just make your Payment (\$30 family rate)

We are always looking for volunteers! We would love to have input from parents from all grade levels on our committees. Please consider joining one or reach out to see about a position on our executive board when signing up for membership.

We thank you for your continued support! Feel free to reach out to us at WMMHSPTO@gmail.com or to Emily Ferguson at eferguson99@hotmail.com with any questions or comments.

Sincerely,

WMMHS PTO
